Find a well run charity

Slide 25
Outcome 2
Lamar is concerned about your performance on your new job responsibilities. He says you need more training than he expected before you'll be ready for the promotion. He's also decided that you're not ready for extra benefits such as a flexible travel schedule for conferences.

Argument makes you late for work

Slide 26
Outcome 0
Lamar is deeply concerned about your judgment and ability to handle ethical responsibilities professionally. Actually, he's not even sure you're the right fit for this company. For now, your job performance is under intense review. He says that if you make any more mistakes, you'll likely lose your job.

Slide 24
Outcome 1
Your boss, Lamar, is highly impressed with your performance on your new job responsibilities lately. He says he's ready to give you the promotion right away in addition to giving you credit for two vacation days for your trip.
